Thanks for participating in last Thursday's UHRC Policy Group meeting.

The San Francisco Controller's report on the San Francisco Healthy Streets Operation Center (HSOC) is attached. It's a good and thorough report and we'll discuss the report and its possible implications for the UHRC at a future Policy Group meeting.

At last Thursday's meeting, we discussed the following:

UHRC Operations:

- * The UHRC continued its operations from 7am to 5pm, Monday - Friday.
- * Staffing continues to be an issue at the UHRC. See below.
- * DOT will complete posting the signs for the Schrader Special Enforcement & Cleaning Zone over the weekend. (This has since been completed.)

Discussion of UHRC Staffing:

- * The Mayor's Office discussed the lack of adequate staffing at the UHRC to handle its large mandate and the rapidly increasing requests for assistance. The Mayor's Office will convene a future meeting with General Managers to discuss this issue. At least one Council Office in attendance supported the idea of having Council Offices dedicate staff to the UHRC once per week. Perhaps this is not easily achievable; however, the general point of the discussion was the need for a greater commitment, from elected offices and departments, to staffing the UHRC ongoing.

Ahmanson Visit to UHRC:

- * The Mayor's Office noted Bill Ahmanson from the Ahmanson Foundation will be visiting the UHRC on Monday, April 15th, for a briefing/tour. HSAC, through which the visit is being arranged, asked that all critical departments be represented at the UHRC during the visit. A calendar appointment has already been sent to select department liaisons.

Outstanding Action Item(s):

- * LAHSA will establish a process for tracking and recording their outreach efforts in the Schrader Focus Area where offers of shelter are made.
- * Fire Season Planning
- * The UHRC will be lead on fire season planning and coordination. Planning will take place as early as possible in anticipation of a high fire season.
- * LASAN will provide metrics on collections from Venice and Globe.

Please let me know if you have any questions, or if I have missed (or misstated) anything from the meeting.

Notes from the 3/28 UHRC Policy Group meeting and the agenda for tomorrow's meeting are attached. Also attached are preliminary draft guidelines for responding to RV-related service requests. This item - RV protocols - is on the agenda for tomorrow's meeting.

The next meeting is tomorrow, Thursday, 4/4, at 1pm in the CENTCOM Room, 22nd Floor - City Hall.

Thanks so much!

Brian
